Dear Business Owner:

Ripon Arts League is entering its thirtieth year as a sponsor of quality musical entertainment for the Ripon community. RAL was founded in 1993 by a group of community members who wanted to bring a variety of musical performers to Ripon. The first concert was free to the public, underwritten by John Mangelos and the Townsend Opera Players of Modesto. One-hundred and twenty folks attended and joined that night. Now organized as a nonprofit organization with over 500 members, its Board of Directors are all volunteer members of RAL hosting five concerts a year averaging between 350 – 450 members and guests at each concert. Our goal is to maintain a reasonable membership cost (most members are seniors) while providing quality performers.

As the years have gone by, the cost to secure entertainers has gone up. We are in need of securing additional funding so that we may continue the work of RAL. What is being proposed is a “Corporate Sponsorship” for each of the five concerts which we have detailed below. We ask that you give it your serious consideration.

Silver Sponsorship (\$500):

1. Name in the program that evening.
2. Announcement and thank you from the MC.
3. Two membership tickets for the season.

Gold Sponsorship (\$1,000) also adds:

4. Table available at the reception area for information regarding your Company.
5. Banner space at the front stage (sponsor to provide).
6. Two additional membership tickets for the season.

We would reserve the right to add a second non-competing sponsor for a Silver Sponsorship that evening. A Gold Sponsorship would be an exclusive sponsor.

Many of us have been business owners and understand that businesses are often asked for community support. We do not take this lightly and hope that you will find our project worthy of your sponsorship. We have enclosed a list of our concert dates and performers for your consideration and a simple application if you would like to join us. If you have any further questions, thoughts, or suggestions, please feel free to contact Kit Oase, President, at 209-599-3408 or Marge Imfeld, Treasurer, at 209-531-7574. We thank you for your time.

Sincerely,

Marge Imfeld, Treasurer and Corporate Sponsors Chair
