

Ripon Arts League

Dear Business Owner:

I am writing to you on behalf of the Ripon Arts League (RAL) we are preparing for our 2026-2027 season and our 34th year of serving the Ripon community and beyond by bringing "Excellent Entertainment" to Ripon. RAL was founded in 1993, by a group of local community members who wanted to bring a variety of entertainers to Ripon. 120 people attended the first concert. RAL is now a non-profit organization with over 400 members.

The Board of Directors are all volunteers/members; we host five performances a year averaging between 250 - 350 members attending each concert. Our goal is to offer excellent entertainment at a reasonable membership cost.

As the years have gone by, the costs to secure this caliber of entertainment and the expenses associated with these performances have risen, therefore, RAL is seeking corporate sponsors. We know and understand that Ripon businesses are often asked for community support. RAL does not take this lightly and we hope that your business finds our non-profit organization worthy of support.

We are asking that you be a Gold Corporate Sponsor for \$500 which includes:

- Your choice of entertainer to sponsor, this is not exclusive, we reserve the right to have up to three noncompeting sponsors per concert.
- Your name and company bio in the program the evening of your sponsored choice.
- Announcements and recognition from the MC during the performance.
- Two sponsorship tickets for the season. Additional membership tickets are available for purchase.
- You may request that we reserve your two seats on the evening of your sponsorship.

Enclosed is an application for your consideration and our 2026-27 booklet showcasing the entertainment lineup for this season. Please complete and return the application as soon as possible. Sponsor choices are assigned in the order received.

Ripon Arts League is very appreciative of your consideration of supporting our non-profit; we look forward to the opportunity to showcase you as a corporate sponsor.

If you would like more information, please feel free to contact Nancy Loewen at (707) 363-9998.

Sincerely,

Nancy Loewen
